Linux Users of Victoria Inc. 2008 Annual General Meeting

Secretary's Report - Linux Users Victoria, 2008

Meeting Held: Sept 2, 2008 at The Buzzard Lecture Theatre.
Evan Burge Building. Trinity College Main Campus. Parkville.

Overall it was an uneventful year for LUV. There were no events apart from SFD07 and the BBQ. Due to problems with venue availability and miscommunication an installfest did not happen.

At our March 18, 2008 meeting the CTTE unanimously decided that CTTE meeting notes will be posted publically to improve transparency. Will post pending ones after deliberating procedures with new secretary.

Unfortunately Ian Wadham resigned his position as OCM on April 11, 2008.

Decided to organise a new server, as drstrange is getting on a bit.

Were given hardware by VITTA in June. 3GHz P4, 1 GiB RAM, 2×320GB SATA. Will implement new server with help from Cef. To upgrade drupal, improve anti-spam, add wiki, planet, maybe laconica. Open to suggestions once the box is up.

MemberDB set up and mainly working. Over to Stewart :-)
